

# WILDFIRE RESPONSE & RECOVERY

For those displaced by the fires with immediate needs, please email with the word "NEED" in the subject line: [Stillwaterstrongrelief@gmail.com](mailto:Stillwaterstrongrelief@gmail.com) Please include your name, phone number, specific need (food, shelter, clothing, and animal care). We will reach out to get details and meet the need as quickly as possible. Fire victims also need to call: (800) red-cross

## DEMOLITION & CLEANUP

**DEVELOPMENT SERVICES (405) 742-8220**

Before a house can be demolished, the sewer service must be disconnected from the home and capped by a licensed plumber. You must apply for a Demolition and Plumbing Permits: The demolition and plumbing permit can be applied for at the same time.

**APPLY FOR BOTH PERMITS**

### 1. Demolition Permit

- Property Owner or Contractor may apply. Complete Application form with property address, property owner with best method of contact and Contractor's information with best method of contact. Permit fee: \$57.90
- Online application is available: [stillwaterok.gov/wildfires](http://stillwaterok.gov/wildfires)

### 2. Plumbing Permit

- State & Local Licensed Plumber must apply. When connected to City Sewer: Plumber will need to acquire a Plumbing Permit to perform a Sewer Cap to associate with the Demolition Permit. Permit fee: \$17.74
- When connected to Septic or Aerobic System: No permit is required. Plumber should be familiar with Oklahoma Department of Environmental Quality (ODEQ) requirements for proper closure of system.
- Printable application available: [stillwaterok.gov/wildfires](http://stillwaterok.gov/wildfires)

### 3. Inspection

- The Plumber will contact City of Stillwater's Building & Fire Code Services (BFCS) Department at (405) 742-8399 to schedule inspection for the sewer cap. After the sewer cap inspection has passed, the BFCS Staff will issue the demolition permit and then clean-up can begin. No inspection is required for demolition or removal of debris.

## TRASH, YARD WASTE, & FURNITURE

Stillwater Waste Management wants to help our residents affected by the wildfires by placing dumpsters in neighborhoods that received the most impact. Scan QR code for maps, with blue boxes, for locations. Please utilize these dumpsters to dispose of trash, yard waste, and furniture.

**MAPS FOR DUMPSTERS**

Demolition debris (brick, rock, and wood), will most likely be disposed of by insurance companies and contractors. We recommend that residents consult with their insurance agencies before removing items from their property.

**IF YOU HAVE FUEL, KEROSENE, OR OTHER HAZARDOUS MATERIALS THAT CANNOT BE PLACED IN REGULAR TRASH PICKUP, PLEASE CONTACT: [CHRIS.FRANKS@STILLWATEROK.GOV](mailto:CHRIS.FRANKS@STILLWATEROK.GOV)**

## MENTAL HEALTH RESOURCES

**Disaster Distress Helpline at 1-800-985-5990** - 24/7 free counseling and support.

**GRAND Mental Health Urgent Recovery Center** - (844) 458-2100

**Crisis Text Line, Text HOME to 741741** - Get help dealing with any type of crisis from a live, trained crisis counselor.

**Local Counseling Resources**

**PLEASE BE AWARE**, when working with contractors to address repairs and rebuilds, make sure you verify credentials and have worked with your insurance company first.
